Re: Announcement of Papal Visit to Canada

The Vatican issued the following statement today regarding a future visit to Canada by the Holy Father (English Translation from the Vatican below):

“The Canadian Conference of Catholic Bishops has invited the Holy Father to make an apostolic journey to Canada, also in the context of the long-standing pastoral process of reconciliation with Indigenous peoples. His Holiness has indicated his willingness to visit the country on a date to be settled in due course.”

Attached you will find a statement from the Canadian Conference of Catholic Bishops as well as a statement from Cardinal Collins. These may be distributed or shared publicly within your own networks as desired. Both statements will also be available through our website.

Thank you for your continued co-operation.
