Mass Intentions

A reminder that we are taking bookings for Mass Intentions for 2023. Please come to the office or call the office during office hours and book a Mass to be said for your own particular intentions.

What are Mass Intentions?

Whenever a priest celebrates Mass, he has at least two specific intentions. The first intention is to celebrate the Mass according to intention of the Church and accordingly to her teachings. The second intention, commonly called "the intention of the Mass," are special intentions offered to God as prayers of intercession and thanksgiving in and through the Eucharist. Each Eucharist has infinite graces and so many intentions can be offered up at a single Mass. However, a priest may only accept one intention at a single Mass, accordingly to the policy of the diocese, but he may have many other intentions not attached to an offering. In addition, the faithful may bring their own intentions to the Mass, which they each carry privately and place upon the altar spiritually in prayer.

Please note that we have Mass Card which you can get from us at a donation amount of your choosing to give it to the family or person who is benefiting for the intention. Please ask for it as you request a mass intention.

A Mass Intention may be set for:

- A deceased loved one
- A living person who is sick or suffering
- A living person who is celebrating a birthday, anniversary, or other special moment in their life

A Mass Intention may not be requested for:

- An unknown or "private" intention (If you have one, please make sure to disclose your "Private intention" to the parish priest. He will assist you!)
- A prayer intention that contradicts Catholic moral doctrine.

Saint of the Week

Saint Francis de Sales
(January 24)

A leader of the Catholic Reformation, Francis was born in France in 1567. His family insisted he study law rather than enter the seminary. After obtaining doctors in both canon and civil law by the age of age 24, Francis chose religious life instead. His family eventually became reconciled to his choice and he was ordained in 1593.

Appointed bishop of Geneva in 1602, Francis organized the diocese, reformed religious education, established a seminary and founded schools. He lived a life of austerity and simplicity, sharing with the poor. Wise and intelligent, he emphasized both the loving kindness of God and the human capacity for love.

Francis was beatified the year he died, 1622 - the first formal beatification to take place in St. Peter's - and canonized in 1665. He is the patron saint of writers and journalists, and of the deaf.
