Mass Intentions

A reminder that we are taking bookings for Mass Intentions for 2023. Please come to the office or call the office during office hours and book a Mass to be said for your own particular intentions.

What are Mass Intentions?

Whenever a priest celebrates Mass, he has at least two specific intentions. The first intention is to celebrate the Mass according to intention of the Church and accordingly to her teachings. The second intention, commonly called "the intention of the Mass," are special intentions offered to God as prayers of intercession and thanksgiving in and through the Eucharist. Each Eucharist has infinite graces and so many intentions can be offered up at a single Mass. However, a priest may only accept one intention at a single Mass, accordingly to the policy of the diocese, but he may have many other intentions not attached to an offering. In addition, the faithful may bring their own intentions to the Mass, which they each carry privately and place upon the altar spiritually in prayer.

Please note that we have Mass Card which you can get from us at a donation amount of your choosing to give it to the family or person who is benefiting for the intention. Please ask for it as you request a mass intention.

A Mass Intention may be set for:

- A deceased loved one
- A living person who is sick or suffering
- A living person who is celebrating a birthday, anniversary, or other special moment in their life

A Mass Intention may not be requested for:

- An unknown or "private" intention (If you have one, please make sure to disclose your "Private intention" to the parish priest. He will assist you!)
- A prayer intention that contradicts Catholic moral doctrine.
