**In Theatres Now: The Forge**

We have been contacted by Sony Films who have released a new Hollywood film called "The Forge" which is in theatres now. The film is about a 19-year-old seeking direction in life and realizes that he needs to discover how God might have a greater purpose for his life. The movie was written and produced by popular American Christian filmmakers the Kendrick Brothers. We have had the opportunity to screen the movie and can assure you that it has strong positive messages of faith, prayer, discipleship and responsibility. A good movie for all, but especially relatable to families with teens and/or young adults. The film's trailer can be found here: <https://api.community.getplaiced.com/c/4ce5b5550e>
